VALKIRIA

FLOWERS

Catalog 2026

Flowers that inspire, quality that transcends borders.

valkiriaflowers.com

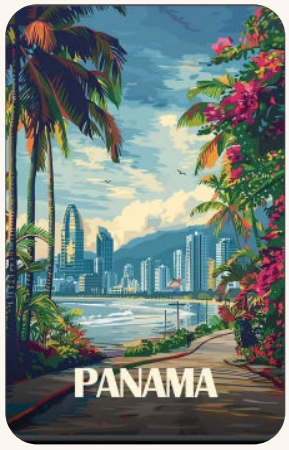

About us

We specialize in the production, packaging and export of fresh flowers and bouquet arrangements, with the passion and dedication that represent Colombia and the highest quality in every shipment.

What began as a family initiative creating floral arrangements for local events soon evolved into exporting bouquets and cut flowers for florists, supermarkets and floral design companies.

Destinations

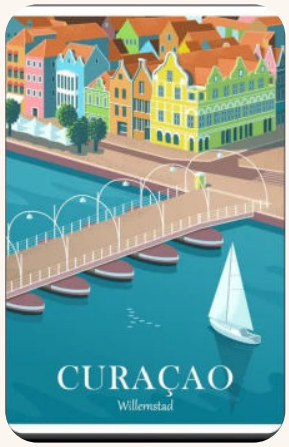

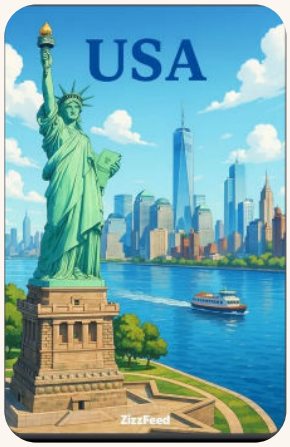

Panama

Aruba

Curaçao

USA

Our commitment

Certified quality

Every flower is carefully selected from harvest to packaging.

Efficient international delivery

Freshness guaranteed at every destination.

Personalized attention

We understand each client's needs and adapt our products to their standards.

How every shipment travels

1. Selection

Careful selection and preparation of every flower.

2. Packing

Proper protection to preserve freshness and quality.

3. Shipping

Efficient logistics for safe, on-time delivery.

Seasonal collections

Valentine's Day · February

Deep red, fuchsia and pink express passion and romance: roses, carnations and lilies with touches of soft green or white.

Mother's Day · May

Pink, lilac and white evoke tenderness and serenity: roses, hydrangeas and daisies.

Halloween · October

Orange, black and purple: orange chrysanthemums and gerberas with dark foliage.

Christmas · December

Classic red, green and gold, paired with white and silver: rich red flowers and pine branches.

Women's Day · March

Yellow, orange and soft pink for gratitude and energy: sunflowers, alstroemerias and pastel roses.

Pride Day · June

Rainbow-inspired arrangements that celebrate freedom, joy and inclusion.

Thanksgiving · November

Earthy, golden and copper tones with dried flowers, natural greenery and rustic accents.

Ready-to-display bouquets

Ready-to-display bouquets for florists, supermarkets and floral designers. Each recipe lists the exact stems, so you know what arrives in every sleeve.
